	This domain is owned by Facebook, which is the world's largest social networking service. As a third party host provider, it mostly collects data on the interests of users via widgets such as the 'Like' button found on many websites. This is used to serve targeted advertising to its users when logged into its services. In 2014 it also started serving up behaviourally targeted advertising on other websites, similar to most dedicated online marketing companies.	ap.allianzgi.com, hk.allianzgi.com,	SESSION	www.facebook.com	Targeting Cookies
_atrf	This domain is owned by Addthis. The main business activity is: AddThis provides web widgets that site owners embed into their pages or other content, to enable visitors to create and share links to the content across social networks. They also make use of the data collected to provide advertisers and marketers with profile information for targeted, behavioural advertising.	ml.allianzgi.com,	PERSISTENT	s7.addthis.com	Targeting Cookies
