Dear Shareholder,

Re: Proposed Merger of Rogge Selective Global High Yield Bond Fund, a sub-fund of Rogge Funds plc, and Allianz Selective Global High Yield, a sub-fund of Allianz Global Investors Fund

We are writing to you to ask that you consider a proposal to merge the Rogge Selective Global High Yield Bond Fund (the “**Merging Fund**”), a sub-fund of Rogge Funds plc (the “**Company**”), a UCITS authorised by the Central Bank of Ireland, with Allianz Selective Global High Yield (the “**Receiving Fund**”), a sub-fund of Allianz Global Investors Fund (the “**SICAV**”), a UCITS authorised by the Commission de Surveillance du Secteur Financier (“**CSSF**”) in Luxembourg.

The purposes of this Circular are to describe the proposed scheme of merger (the “**Scheme**”), to highlight key dates/next steps and to invite you, by means of a notice in Appendix I hereto (the “**Notice**”), to participate at an extraordinary general meeting (“**EGM**”) of the Shareholders of the Merging Fund, convened to resolve upon the Scheme.

The details of the Scheme and our recommendation to effect the Scheme are set out in further detail in Sections 1 to 6 below. There are six points, in particular, we would like to draw all Shareholders’ attention to:

- (i) **If the Scheme is approved by the EGM, all subscriptions, switches and redemptions relating to the Shares will be suspended starting from the Final Subscription Cut-Off Point or the Final Redemption Cut-off Point, as appropriate, up until the Effective Date (inclusive).** This suspension will facilitate the calculations and confirmations required in relation to the implementation of the Scheme. Therefore, Shareholders who do not wish to participate in the proposed Scheme may redeem their Shares in the Merging Fund from the date of the notification of the outcome of the meeting up until the Final Redemption Cut-Off Point. Redemptions will be carried out in accordance with the terms of the Merging Fund’s Prospectus.
- (ii) Shareholders can vote in person at the meeting or by using the Proxy Form (included in Appendix I). **Shareholders intending to vote by proxy should please note that a duly completed Proxy Form must be returned to the offices of the company secretary of the Company, Carne Global Financial Services Limited, 2nd Floor, Block E, Iveagh Court, Harcourt Road, Dublin 2, Ireland, marked for the attention of Aisling McCormack/Kyle Richardson (or email to carnecosec@carnegroup.com) by no later than 12:00 noon (Irish time) on 06 August 2019 to be considered.** For corporate entity Shareholders, any representative attending and voting at the EGM on your behalf must provide a letter of representation. A template letter of representation is included in Appendix I.
- (iii) In the event that Shareholders **do not pass the resolution to approve the Scheme (the “**Resolution**”)**, the proposal to amalgamate the Merging Fund with the Receiving Fund will not proceed and, accordingly, the Merging Fund will resume the processing of subscriptions, redemptions and switching requests as described in the Prospectus on the next dealing day following the notification of the outcome of the EGM.

- (iv) In the event that Shareholders **do pass** the Resolution by a 75% majority of the votes cast by Shareholders in person or by proxy at the EGM, the Merging Fund will continue dealing as specified above until the Final Subscription Cut-off Point or the Final Redemption Cut-Off Point, as appropriate, (therefore Shareholders will have the option to redeem their Shares until the Redemption Cut-Off Point, as noted above). In the event that the Resolution is passed, all Shareholders shall become shareholders of the Receiving Fund as of the Effective Date.
- (v) Shareholders who vote against the Scheme but do not redeem, and Shareholders who do not take any action, should note that, if the Scheme is approved at the EGM, **Shares in the Merging Fund will cease to have any value and will be cancelled on the Effective Date** and all Shareholders will be issued with New Shares, becoming investors in the Receiving Fund.
- (vi) As confirmed above, the Effective Date will be 15 October 2019 or such later date as may be determined by the Directors and approved by the Central Bank and the CSSF which will be notified to the Shareholders in writing. In the event that the Directors approve a later date, they may also make such consequential adjustments to the other elements in the timetable of the Scheme as they consider appropriate.

1 **Background to and Rationale for the Scheme**

The Board of Directors of both the Company and the SICAV have approved the proposal of Allianz Global Investors GmbH, the Investment Manager of the Merging Fund and Receiving Fund, to merge the Merging Fund and the Receiving Fund. This will streamline the product offering in the fixed income space and offer investors the opportunity to keep invested in an attractive strategy within the product category.

The Scheme will also result in better economies of scale in the long term and greater levels of operational efficiency. Moreover, higher levels of operational efficiency will likely be realised as a consequence of reduced operational and administrative burden. It is also expected that the Scheme will result in a greater number of distribution opportunities for the Receiving Fund, which would increase subscriptions and ensure economies of scale and greater shareholder diversification.

2 **Details of the SICAV and the Receiving Fund**

2.1 **SICAV**

The SICAV was incorporated for an unlimited period under the name DRESDNER GLOBAL STRATEGIES FUND as a société anonyme under the laws of the Grand Duchy of Luxembourg and qualifies as an open-ended société d'investissement à capital variable under part I of the Law. The SICAV changed its name to Allianz Dresdner Global Strategies Fund on 9 December 2002 and to Allianz Global Investors Fund on 8 December 2004.

Copies of the latest SICAV Prospectus, annual reports and articles of association of the SICAV, together with the KIID of each share class of the Receiving Fund, are available on <https://regulatory.allianzgi.com>.

It is recommended that Shareholders read, in particular, any relevant KIID(s) of the Receiving Fund. A copy of each KIID for the Receiving Fund is included in Appendix IV.

2.2 Service providers of the SICAV

(a) The SICAV Depositary

State Street Bank Luxembourg S.C.A. is the depositary for the assets of the SICAV (the “**SICAV Depositary**”). The SICAV Depositary was incorporated as a société anonyme under the laws of Luxembourg on 19 January 1990. On 31 December 2017, its paid up share capital amounted to €65.0 million.

(b) The SICAV Registrar and Transfer Agent

State Street Bank Luxembourg S.C.A. is the registrar and transfer agent of the SICAV (the “**SICAV Registrar and Transfer Agent**”).

(c) The Investment Manager

The SICAV has appointed Allianz Global Investors GmbH as investment manager of the Receiving Fund. The same investment manager has been appointed by the Company as the investment manager of the Merging Fund.

(d) The Auditor

PricewaterhouseCoopers Société cooperative has been appointed auditor of the SICAV.

2.3 Key differences and similarities between the Merging Fund and the Receiving Fund

A schedule of the principal similarities and differences between the Merging Fund and the Receiving Fund is attached as Appendix III to this Circular.

(a) Investment Objective and Policy

The investment objective of the Receiving Fund is materially identical to that of the Merging Fund.

(b) Risk Profile

Investment in the Receiving Fund is considered to be of similar risk to investment in the Merging Fund – in particular, each of the Receiving Fund and the Merging Fund has a synthetic risk and reward indicator (a general indication concerning the overall level of risk of the fund) of 3, as disclosed within the relevant KIIDs.

The general risk factors for the Merging Fund and the Company (outlined in the Prospectus for the Company and the KIID(s) for the Merging Fund, which are available on <https://regulatory.allianzgi.com>) and the general risk factors for the Receiving Fund and the SICAV (outlined in the Prospectus for the SICAV and the KIID(s) for the Receiving Fund, which are available on <https://regulatory.allianzgi.com>) are materially similar.

(c) Form and types of holdings

Under the terms of the Scheme, the holders of Shares in the Merging Fund will be issued with New Shares in the Receiving Fund. It is proposed that Shareholders of each specific class of Shares in the Merging Fund will receive New Shares of the corresponding New Share class as per the table below.

Merging Fund Share Class	Receiving Fund Share Class
GBP Zero management fee Hedged Shares	PT3 (H2-GBP)
USD Zero management fee	PT3 (USD)
USD Shares	PT9 (USD)
Euro Hedged Reporting Shares	PT9 (H2-EUR)

(d) Fees

Shareholders should be aware of the fees payable in respect of the Merging Fund and Receiving Fund which are set out at Appendix III hereto.

(e) Subscriptions, redemptions and closures

The procedures which apply to matters such as dealing, subscription, redemption, switching and transferring of shares as well as the investment restrictions and method of calculating the net asset value, are materially identical between the Merging Fund and the Receiving Fund.

The circumstances in which the Company and the SICAV and / or the Receiving Fund may be terminated and wound up are set out below. The circumstances in which Shares in the Merging Fund may be compulsorily redeemed are also set out below.

(i) Winding up the Company / Compulsory redemption of Shares in the Merging Fund

All of the Shares in the Merging Fund or a class thereof may be redeemed by the Company in the following circumstances: (i) 75% or more of votes cast at a general meeting of the Merging Fund or class, as appropriate, approve the redemption of the Shares; (ii) if the net asset value of the Merging Fund does not exceed or falls below US\$25,000,000 on any business day; or (iii) if no replacement depositary shall have been appointed during the period of 90 days commencing on the date the Company's Depositary or any replacement thereof shall have notified the Company of its desire to retire as depositary or shall have ceased to be approved by the Central Bank and the majority of the votes cast at a general meeting of the Company approve the redemption of Shares.

(ii) Winding up the Receiving Fund

If the assets of the Receiving Fund fall below the amount that the Board of Directors of the SICAV considers to be a minimum amount for the economically efficient management of the Receiving Fund, or if the Receiving Fund does not reach this minimum amount or if a substantial change in the political, economic or monetary situation arises, the Board of Directors of the SICAV may force redemption of all Shares in the Receiving Fund affected at the net asset value per Share on the dealing day following the day on which this decision by the Board of Directors of the SICAV enters into force (while taking into account the actual prices achieved and the necessary costs of disposal of the assets).

The SICAV must inform the shareholders in the Receiving Fund in writing of the reasons and the redemption procedure before the mandatory redemption enters into force: registered shareholders in the Receiving Fund will be notified in writing; holders of bearer Shares will be informed through publication of a notice in newspapers to be determined by the Board of Directors of the SICAV or in electronic media as determined in the prospectus if the SICAV does not know the names and addresses

of the shareholders. If no other decision is made in the interest of or for purposes of equal treatment of the shareholders, the shareholders in the Receiving Fund affected may request the redemption or conversion of their shares at no charge before the date of the mandatory redemption (while taking into account the actual prices achieved and the necessary costs of disposal of the assets).

Under the same circumstances as provided above, the Board of Directors of the SICAV may decide to force redemption of all shares in any share class.

(f) Dividend Policies applicable to the Merging Fund and the Receiving Fund

As the Merging Fund and the Receiving Fund do not declare dividends in respect of any share class and all distributable profits are reinvested into the respective fund and reflected in the net asset value of the respective shares, the Merging Fund and the Receiving Fund will not have any accrued income as at the Effective Date.

Both the Share Classes of the Merging Fund and the Receiving Fund pursue an accumulation policy.

(g) Reports and accounts

Copies of the accounts of the Company and the SICAV are available online at <https://regulatory.allianzgi.com>.

If the Resolution with respect to the Merging Fund, as set out in the Notice, is passed, Shareholders will receive their first set of reports and accounts for the SICAV for the period ending on 30 September 2020 and their first set of unaudited interim accounts for the Allianz Global Investors Fund for the period ending on 31 March 2020.

(h) Shareholder rights

There will be no material difference between the rights of Shareholders with respect to the Merging Fund before the Scheme and their rights with respect to the Receiving Fund after the Scheme.

3 The Scheme

3.1 Basis of the Scheme

An EGM of Shareholders is being convened for 08 August 2019. The Notice is set out in Appendix I hereto and contains the text of the Resolution required to effect the Scheme.

If the Resolution, as set out in the Notice, is passed, Shareholders will become holders of New Shares corresponding to their Shares, as set out above and will be able to exercise their rights as shareholders of the Receiving Fund as and from the Effective Date. The number of New Shares to be issued to each Shareholder will be determined using an exchange ratio calculated in accordance with the below formula.

$$S = \frac{R \times NAV}{SP}$$

where:-

S = the number of New Shares in the Receiving Fund that will be issued;

R = the number of Shares held by the Shareholder in the Merging Fund on the Effective Date;

NAV = the Net Asset Value per Share of the relevant Share Class in the Merging Fund calculated as at the Valuation Point on the Effective Date, calculated in accordance with the Articles of Association of the Company; and

SP = the initial issue price per New Share of the relevant New Share Class in the Receiving Fund.

Shareholders will receive such number of New Shares as calculated in accordance with the exchange ratio above.

The issue of New Shares in the Receiving Fund in exchange for Shares of the Merging Fund will not be subject to any charge. The value of the holding of New Shares which a Shareholder will receive under the Merger will equal the value of their holding of Existing Shares immediately prior to the Effective Time.

Under the proposed Scheme, the auditors of the Merging Fund, PricewaterhouseCoopers, will be entrusted to validate the following:

- (i) whether the statements of assets and liabilities of the Merging Fund and Receiving Fund as of the date for the calculation of the exchange ratio have been prepared in accordance with the valuation criteria selected by the Directors and set down in the UCITS Regulations and the Luxembourg Law;
- (ii) where applicable, the cash payment per share; and
- (iii) the calculation method of the exchange ratio as well as the actual exchange ratio determined at the date for calculating that ratio, as referred to in the UCITS Regulations.

A copy of the report of the auditors of the Merging Fund will be made available on request and free of charge to shareholders of both the Merging Fund and the Receiving Fund.

On the Effective Date the value of all ascertainable and known outstanding liabilities of the Merging Fund will be calculated. These liabilities generally comprise fees and expenses which have accrued and are or will be reflected in the net asset value per Share.

On or immediately after the Effective Date, the Company's Depositary will transfer the assets of the Merging Fund to the SICAV Depositary, to be held for and on behalf of the Receiving Fund.

Details on the register of Shareholders and any documents of title of the Merging Fund will be transferred to the SICAV Registrar and Transfer Agent on or shortly after the Effective Date. Neither the Merging Fund nor the Receiving Fund issues physical share certificates and accordingly no physical share certificates will be issued for the New Shares. However, if the Resolution is passed, Shareholders will receive a statement indicating the results of the vote by Shareholders at the EGM. Where the resolution is passed other than unanimously, this statement will be issued at least 14 calendar days prior

to the Effective Date. Additionally, Shareholders who do not redeem their Shares prior to the Effective Date will receive a statement confirming ownership of their holding of New Shares. This statement will be despatched to New Shareholders within 5 Business Days of the Effective Date.

If the Scheme is approved by Shareholders in the Merging Fund, the Merging Fund shall cease operations on the first Business Day following the Effective Date. Following this date, the Company will fully wind-up all the affairs of the Merging Fund in accordance with the terms of the Articles of Association and the requirements of the Central Bank.

Thereafter, the Central Bank will be requested to revoke the approval of the Merging Fund.

In summary, therefore, in order to implement the Scheme, the following actions must be completed in relation to/by the Merging Fund:

- passing of the Resolution by Shareholders in the EGM to approve the Scheme, as set out in Appendix I to this Circular;
- the execution of the common terms of merger between the Company, on behalf of the Merging Fund, and the SICAV, on behalf of the Receiving Fund.
- implementation of the transfer of the net assets of the Merging Fund, whereby the legal title to all assets in the Merging Fund at the Effective Date, will be transferred from the Company's Depositary to the SICAV Depositary for and on behalf of the Receiving Fund and completion of the delivery and / or transfer of the legal title of the assets shall take place as soon as practicable on or following the Effective Date;
- issue of New Shares to Shareholders and cancellation of the Shares; and
- following the implementation of the Scheme, the settlement of all liabilities of the Merging Fund, if any, by the Company and the Company's Depositary and the revocation by the Central Bank of its approval of the Merging Fund.

3.2 Verification

Shareholders should note that as part of the implementation of the Scheme, the Company's Administrator (as administrator of the Merging Fund) will provide to the SICAV Registrar and Transfer Agent (as administrator of the Receiving Fund) details of the Shareholders, including all relevant documentation received from or in relation to each Shareholder. This includes, without limitation, client identification and anti-money laundering documentation. Notwithstanding this, Shareholders may be required to verify their identity in accordance with applicable anti-money laundering requirements for the purpose of being entered on the register of the Receiving Fund as the holder of New Shares.

3.3 Taxation

Shareholders should consult their own professional advisers as to the tax implications of the merger under the laws of the countries of their nationality, residence, domicile or incorporation. Shareholders should note that their tax position may be affected as a result of the proposed merger.

3.4 Cost of the Scheme

Neither the Merging Fund nor the Receiving Fund will bear the legal, advisory or administrative costs of the Merger and these will be borne by the Investment Manager. As the investment objective

and policies of the Merging Fund and the Receiving Fund are similar, and the portfolio of assets of the Merging Fund comprises eligible assets for the purposes of the portfolio of assets which can be held by the Receiving Fund, it is not expected that any repositioning of the portfolio of the Merging Fund will be required before the Merger can become effective.

4 Procedure

The implementation of the Scheme is subject to the Resolution set out in the accompanying Notice being duly passed as an extraordinary resolution of the Merging Fund as required under the Articles of Association.

In order to be duly considered and approved, the resolving EGM must be attended by any two Shareholders, entitled to vote upon business to be transacted, present in person or by proxy. In view of the importance of these matters, the Chairman of the EGM will demand that a poll be taken. To be passed as an extraordinary resolution, the Resolution must be carried by a vote in favour of the Resolution by not less than 75% of the total number of Shares represented in person or by proxy at that EGM. On a poll, every Shareholder who is present in person or by proxy shall have one vote for every Share of which he is the Shareholder. If, within half an hour from the time appointed for an EGM, a quorum is not present, the EGM will be adjourned and, if at such adjourned meeting a quorum is not present within fifteen minutes from the time appointed for holding the meeting, the Shareholders present at that second EGM / adjourned meeting shall be a quorum. The notice set out in Appendix I shall be deemed to constitute due notice of any such second EGM / adjourned meeting.

If the Resolution is passed and you do not redeem your Shares, your Shares shall cease to be of any value or effect on the Effective Date (subject to the terms of the Scheme) and you will become the owner of New Shares on the Effective Date. In addition, Shareholders who do not vote, or vote against the Scheme, and do not redeem their holdings in the Merging Fund will become shareholders of the Receiving Fund on the Effective Date. The Merging Fund will cease operations on the Effective Date.

Shares in the Merging Fund will continue to be issued on any Business Day in accordance with the terms of the Articles of Association and Prospectus until the Final Subscription Cut-Off Point. Shares in the Merging Fund will continue to be redeemed on the usual dealing days in accordance with the terms of the Articles of Association and Prospectus until the Final Redemption Cut-Off Point. In the event that subscription, redemption or switch requests are received for the Merging Fund after the Final Subscription Cut-Off Point or the Final Redemption Cut-Off Point, as appropriate, such requests will be suspended. If the Resolution is not passed, such requests will be processed as deals in the Merging Fund on the next dealing day as described in the Prospectus. If the Resolution is passed, suspended subscription, redemption or switch requests will be rejected and the Directors will take steps to cease operations of the Merging Fund after the Effective Date. The issue and redemption prices of the Receiving Fund are or will be available from the SICAV Registrar and Transfer Agent and published daily on www.Bloomberg.com.

5 Documents available for inspection

Copies of the following documents are available on <https://regulatory.allianzgi.com>:

- Articles of Association of the Company;
- Prospectus of the Company;
- SICAV Prospectus for the Receiving Fund;

- KIIDs for the Merging Fund and the Receiving Fund;
- Articles of association of the SICAV; and
- Financial statements for the Company and the SICAV prepared on an annual and semi-annual basis.

Report of the auditors of the Merging Fund on the terms and conditions of the Scheme, once available, will be provided to Shareholders on request.

6 **Recommendation and action to be taken**

In light of the above, the Directors are of the opinion that it would be in the best interests of Shareholders to approve the Scheme and to exchange their Shares for New Shares in the Receiving Fund. Accordingly, the Directors are proposing that the Merging Fund will enter into the Scheme with the Receiving Fund which, if approved by Shareholders, will result in those Shareholders directly holding New Shares in the Receiving Fund and the Merging Fund being terminated.

Having regard to these reasons, we recommend the Scheme for your approval and urge you to vote in favour of the Resolution set out in the Notice at Appendix I.

It is important that you exercise your voting rights in respect of the EGM by completing and returning your enclosed Proxy Form, so that it will arrive at the offices of the company secretary of the Company, Carne Global Financial Services Limited, 2nd Floor, Block E, Iveagh Court, Harcourt Road, Dublin 2, Ireland, marked for the attention of Aisling McCormack / Kyle Richardson or email to carnecosec@carnegroup.com by no later than 12:00 noon (Irish time) on 06 August 2019.

In the case of a second EGM / adjourned meeting, such documents should be deposited at the offices of the company secretary of the Company two days before the second EGM / adjourned meeting. Submission of a Proxy Form will not preclude you from attending and voting at the EGM(s) in person should you wish to do so.

Should you have any queries, please contact your relationship manager.

Yours sincerely

The information is required by law to help you understand the nature and the risks of investing in this fund. You are advised to read it so you can make an informed decision about whether to invest.

Allianz Global Investors Fund - Allianz Selective Global High Yield Share Class PT9 (H2-EUR)

Managed by Allianz Global Investors GmbH, part of
Allianz Global Investors

ISIN: LU1941709716
WKN: A2PDSM

Objectives and Investment Policy

Long-term capital growth and income by investing in global bond markets. The Sub-Fund tries to offer close to high yield returns with an expected volatility between investment grade and high yield.

Min. 70% of Sub-Fund assets are invested by us in bonds with a good credit rating as described in the investment objective. Max. 30% of Sub-Fund assets may be invested by us in bonds other than described in the investment objective. Sub-Fund assets may be completely invested by us in Emerging Markets. Max. 30% of Sub-Fund assets may be invested by us in High-Yield bonds bearing a typically higher risk and higher potential of gains. Max. 20 % of Sub-Fund assets may be invested by us in ABS and/or MBS. Sub-Fund assets may be invested by us in future-contracts on global equity indices (equity index futures) for both, efficient portfolio management and hedging purposes. Max. 100% Sub-Fund assets may be held in deposits and/or may be invested directly in Money Market Instruments and/or (up to 10% of Sub-Fund assets) in money market funds on a temporary basis for

liquidity management and/or defensive purpose. Max. 10% non-USD Currency Exposure.

Exposure to the base currency of the fund (USD) will be hedged to a large extent against the reference currency of the shareclass (EUR) which reduces the potential risks and limits potential gains from exchange rate movements.

You may redeem shares of the fund usually on each business day.

We reinvest the income into the fund.

Recommendation: the Share Class of the Fund should be held for at least a medium- to long-term investment horizon.

Derivatives may be used to offset exposure to price fluctuations (hedging), to take advantage of price differences between two or more markets (arbitrage) or to multiply gains although it may also multiply losses (leverage).

Risk and Reward Profile

← Typically lower rewards
← Typically lower risk

Typically higher rewards →
Typically higher risk →

This risk and reward indicator is based on past performance data. It may not be a reliable indication of the future risk profile of the fund.

The categorisation of the fund is not guaranteed and may change in the future.

Even the lowest category 1 does not mean a risk-free investment.

Why is the fund in this category?

Funds of category 3 have shown in the past a low to medium volatility. The volatility describes how much the value of the fund went up and down in the past. The units of a fund of category 3 might be subject to low to medium price fluctuations based on the historical volatilities observed.

The following material risks are not fully captured by the risk and reward indicator:

We may invest directly or indirectly a significant portion of the fund into bonds or money markets instruments. If the issuer may fall into insolvency or may suffer economical problems the interest and/or the capital of these assets may not or may not be completely paid and/or the price of the assets may drop.

Charges

These charges are used to pay the costs of running the fund, including the costs of marketing and selling. They reduce the potential growth of your investment.

This risk and reward indicator is based on past performance data. It may not be a reliable indication of the future risk profile of the fund.

The categorisation of the fund is not guaranteed and may change in the future.

Even the lowest category 1 does not mean a risk-free investment.

Why is the fund in this category?

Funds of category 3 have shown in the past a low to medium volatility. The volatility describes how much the value of the fund went up and down in the past. The units of a fund of category 3 might be subject to low to medium price fluctuations based on the historical volatilities observed.

The following material risks are not fully captured by the risk and reward indicator:

We may invest directly or indirectly a significant portion of the fund into bonds or money markets instruments. If the issuer may fall into insolvency or may suffer economical problems the interest and/or the capital of these assets may not or may not be completely paid and/or the price of the assets may drop.
