Allianz Global Investors Fund – Allianz Dynamic Multi Asset Strategy SRI 15

Merger of Allianz Suisse – Strategy Fund – Allianz Suisse – Flexible Fund (the "Merging Sub-Fund") into Allianz Global Investors Fund – Allianz Dynamic Multi Asset Strategy SRI 15 (the "Receiving Sub-Fund")

Dear Shareholder,

In your securities account you are holding Share of Allianz Global Investors Fund – Allianz Dynamic Multi Asset Strategy SRI 15.

Why is the merger taking place?

Allianz Global Investors is constantly reviewing its investment offering to ensure it meets the evolving needs of clients with the most clear and compelling value proposition, making the most of our considerable resource and capabilities.

As part of this analysis, the merger will streamline the product range, and allow clients to benefit from a similar investment strategy with better expected performance and risk more aligned to their individual risk-budgets. A repositioning in the Receiving Sub-Fund will take place after the merger. Indeed some of the assets that will be transferred will be sold and the proceeds reinvested into assets that will be fully in line with the strategy of the Receiving Sub-Fund, in terms of country exposure, currency exposure, and asset class allocation. The Merging Sub-Fund assets represent less than 8 % of the Receiving Sub-Fund assets
