Regulation (EU) No 1286/2014 of the European Parliament and of the Council of 26 November 2014 (“PRIIPs Regulation”) concerns key information documents for packaged retail and insurance-based investment products. One of the concepts introduced by the PRIIPs Regulation is the Recommended Holding Period, a number expressed in years, to be disclosed within the Key Information Document (or “PRIIPs KID”).

The Board of Directors hereby gives notice that the sub-funds’ investor profiles outlined in Appendix 6 of the prospectus have been aligned to the Recommended Holding Period disclosed in the relevant PRIIPs KID.

The Board of Directors hereby gives notice that any shareholder communication for each sub-fund – if permitted under the laws and regulations of any jurisdiction in which sub-funds of the Company are registered for public distribution – will in future only be published on <https://regulatory.allianzgi.com>.

In particular, this does not apply to (i) a liquidation or merger of sub-funds/share classes according to the Luxembourg Law of 17 December 2010 on undertakings for collective investment or (ii) any other measure the Articles and / or Luxembourg law are referring to or (iii) any other measure as instructed by the Commission de Surveillance du Secteur Financier, the Luxembourg securities supervisory authority.

The prospectus (including the relevant pre-contractual disclosures), at its entry into force, is accessible or available free of charge from the registered office of the Company, the Management Company in Frankfurt/Main and the Information Agents of the Company (such as State Street Bank International GmbH, Luxembourg Branch in Luxembourg or Allianz Global Investors GmbH in the Federal Republic of Germany) in each jurisdiction in which sub-funds of the Company are registered for public distribution.
