	Investment Restrictions (Appendix 1, Part B)	The introduction of the 30% limit for liquid instruments is to be regarded as an editorial change that has no material impact on the sub-fund's current investment policy. As the sub-fund assets already as of now have to be invested at least 70% in equities and/or bonds and or SDFR target funds, the investment manager already had the option of investing up to 30% of sub-fund assets in liquid instruments. This existing option is now to be inserted separately for the sake of transparency.	Such restrictions did not previously exist.	- Min. 70% of Sub-Fund assets are invested in Equities and/or Debt Securities in accordance with the Multi Asset Sustainability Strategy and/or in internal SFDR Target Funds. Sub-Fund's pre-contractual template describes all relevant information about the strategy's scope, details, and requirements and applied exclusion criteria. - Max. 30% of Sub-Fund assets may be invested in Money Market Instruments and/or held in time deposits and/or (up to 20% of Sub-Fund assets) in deposits at sight and/or (up to 10% of Sub-Fund assets) in money market funds for liquidity management.
	Sustainability-related Disclosure Regulation and specific information to be disclosed in accordance with the Taxonomy Regulation (Appendix 10)	The sub-fund's minimum of sustainable investments as well as the minimum of taxonomy aligned investments disclosed in Appendix 10 of the prospectus have been adjusted to reflect the new environment. Please note that a relevant pre-contractual disclosure*) will be attached to the Company's prospectus.
