In anticipation to the entry into force of the LMTs Rules, it is considered to update the Company's Articles by implementing the relevant required provisions on LMTs so as to comply with the LMTs Rules. The Board of Directors has decided to cover the whole catalogue of LMTs permitted under the LMTs Rules in the Articles and make them available to the Company. The Company and the Management Company will then select the applicable LMTs on a subfund-by-subfund basis, considering in all instances the best interest of investors as well as the pursued investment strategy of each subfund, its dealing terms, its liquidity profile, the results of liquidity stress testing, the characteristics of the subfund's investor base, its distribution policy, its redemption policy and any other relevant operational barriers and complexities that may impact on the feasibility of implementing certain LMTs as well as relevant regulatory requirements. Shareholders will be informed about the details of each LMTs and their selection, activation and calibration for each subfund as described in the Prospectus of the Company.

2. The above-described contemplated amendments would be the opportunity to restate and update the Articles in light of the reform of the amended Luxembourg Law of 10 August 1915 on commercial companies (the "**Companies Law**") as well as implement any minor amendments that are standard provisions. This includes the deletion of provision referring to the issuance of bearer shares by the Company. Since the entry into force of the Law of 28 July 2014 regarding immobilisation of bearer shares and units (the "**2014 Law**"), all shares have been issued as registered shares. The 2014 Law also provided that bearer shares in issuance at that time needed to be deposited with the Depositary by 18 February 2016. Bearer shares deposited with the Depositary have been converted into registered shares. Bearer shares not deposited by 18 February 2016 have been cancelled and the cash equivalent of such cancelled shares, or, absent such cash equivalent, other assets of equivalent value, were deposited with the Luxembourg Caisse de consignation. Given that bearer shares no longer have any practical relevance for the Company, the references to such instruments within the Articles can be removed.

VOTING

The aforementioned resolutions will require a quorum of 50% of the capital and will be passed by a majority of two thirds of the votes cast. Votes cast shall not include votes attaching to shares in respect of which the shareholders have not taken part in the vote or have abstained or have returned a blank or invalid vote. The quorum and majority requirements will be determined with accordance to the outstanding shares on **11 January 2026 midnight CET** (the "**Record Date**"). The voting rights of shareholders shall be determined by the number of shares held at the Record Date.

Each share entitles to one (1) vote and each shareholder may vote in person or by proxy.

If the quorum is not reached, the Meeting will have to be reconvened in the manner prescribed by Luxembourg law. The reconvened meeting may validly deliberate without any quorum and resolutions will be passed under the same conditions as for the Meeting.

VOTING ARRANGEMENTS

Authorized to attend and vote at the meeting are shareholders who are able to provide a confirmation from their depository bank or institution showing the number of shares held by the shareholder as per the Record Date to State Street Bank International GmbH, Luxembourg Branch, Domiciliary Department, in 49, Avenue J.F. Kennedy, L-1855 Luxembourg (the "Registrar and Transfer Agent"), to arrive in Luxembourg no later than **6 p.m. CET on 14 January 2026**.

Any shareholders entitled to attend and vote at the meeting shall be entitled to appoint a proxy to vote on his/her behalf. The proxy form, in order to be valid, must be duly completed and signed under the hand of the appointer or his/her attorney or if the appointer is a corporation, under its common seal or under the hand of a duly authorised officer, and sent to the Registrar and Transfer Agent to arrive in Luxembourg no later than **6 p.m. CET on 14 January 2026**.

Proxy forms for use by registered shareholders can be obtained from the Registrar and Transfer Agent. A proxy does not have to be a shareholder of the Company. The appointment of a proxy will not preclude a shareholder from attending the meeting.
