Allianz Global Investors Fund - Allianz Emerging Europe Equity Share Class A (EUR)

Managed by Allianz Global Investors GmbH, part of
Allianz Global Investors

ISIN: LU1992127883
WKN: A2PJ31

Objectives and Investment Policy

Long-term capital growth by investing in the European emerging equity markets.

Min. 70% of Sub-Fund assets are invested by us in accordance with the Investment Objective in Emerging Markets of Europe or in countries which are constituents of the MSCI EFM Europe + CIS (E+C) Index. Sub-Fund asset may be - even fully - invested by us in Emerging Markets. Max. 30% of Sub-Fund assets may be invested by us in Equities other than described in the investment objective. Max. 15% of Sub Fund assets may be held by us directly in deposits and/or may be invested by us in Money Market Instruments and/or (up to 10% of Sub-Fund assets) in

money market funds. Sub-Fund classifies as "equity-fund" according to German Investment Tax Act (GITA) since at least 70% of Sub-Fund assets are permanently physically invested in an Equity Participation according to Art. 2 Section 8 GITA.

You may redeem shares of the fund usually on each business day.

We usually distribute the income of the fund on a yearly basis.

Recommendation: the Share Class of the Fund should be held for a long-term investment horizon.

Risk and Reward Profile

This risk and reward indicator is based on past performance data. It may not be a reliable indication of the future risk profile of the fund.

The categorisation of the fund is not guaranteed and may change in the future.

Even the lowest category 1 does not mean a risk-free investment.

Why is the fund in this category?

Funds of category 6 have shown in the past a high volatility. The volatility describes how much the value of the fund went up and down in the past. The units of a fund of category 6 might be subject to high price fluctuations based on the historical volatilities observed.

The following material risks are not fully captured by the risk and reward indicator:

A significant portion of the Fund may be invested in emerging market assets. Emerging markets generally carry greater political, legal, counterparty and operational risk. In exceptional circumstances the Fund may encounter difficulties when buying and selling these investments.

Charges

These charges are used to pay the costs of running the fund, including the costs of marketing and selling. They reduce the potential growth of your investment.

One-off charges deducted before or after you invest

Entry Charge	5.00%
Exit Charge	0.00%

This is the maximum charge that might be taken out of your money before it is invested or before the proceeds of your investments are paid out.

Charges taken from the fund over a year

Ongoing Charges	2.30%
-----------------	-------

The entry and exit charges shown are maximum figures. In some cases you might pay less – you can find actual entry and exit charges from your financial adviser.

The ongoing charges figure shown here is an estimate of the charges. It does not include transaction costs incurred when we buy or sell assets for the fund.

You will find more details about the calculation of the charges by checking the respective part of the prospectus.

Past Performance

We do not yet have performance data for one complete year. Therefore we can not provide a useful indication of past performance to you.
