Objectives and Investment Policy

Long-term capital growth and income by investing in a broad range of asset classes, in particular in the global bond-, global equity-, and money markets. The Sub-Fund achieves its investment objective by investing in internal sustainable investment funds that are managed following specific Sustainable Responsible Investing (SRI) approaches. These SRI approaches can include in various combinations: negative screening (exclusions) plus active stewardship, exclusions plus a Best-in-Class approach, alignment with specific UN Sustainable Development Goals, aspiration to generate a measurable, positive outcome for the environment and society, compliance with specific sustainability fund labels.

This Sub-Fund is not managed by us in reference to a Benchmark. We follow an active management approach.

Min. 70% of Sub-Fund assets are invested by us in UCITS and/or UCI as described in the investment objective. Sub-Fund assets may not be invested in UCITS / UCI other than described in the investment objective. Max. 47,5% of Sub-Fund assets may be invested by us in Equities. Included in this limit are target fund investments if the respective acquired target funds are deemed to be "Equity Funds" according to the Morningstar classification.

Max. 30% of Sub-Fund assets may be invested by us in Equities and/or bonds (excluding equity- and/or bond-funds) in accordance with the investment objective and/or other than described in the investment objective. Max. 40% of Sub-Fund assets may be invested by us in Emerging Market (including Emerging Market funds). Max. 30% of Sub-Fund assets may be invested by us in High-Yield investments (including High-Yield funds) bearing a typically higher risk and higher potential of gains. Max. 20 % of Sub-Fund assets may be invested by us in ABS and/or MBS. Max.50% Sub-Fund assets may be invested by us in Money Market Funds and (up to 30% of Sub-Fund assets) may be held by us in deposits and/or may be invested in money market instruments for liquidity management and/or defensive purpose. The duration of Sub-Fund assets should be between minus 2 and plus 10 years.

You may redeem shares of the fund usually on each business day.

We reinvest the income into the fund.

Recommendation: the Share Class of the Fund should be held for at least a medium-term investment horizon.

Risk and Reward Profile

This risk and reward indicator is based on past performance data. It may not be a reliable indication of the future risk profile of the fund.

The categorisation of the fund is not guaranteed and may change in the future.

Even the lowest category 1 does not mean a risk-free investment.

Why is the fund in this category?

Funds of category 4 have shown in the past a medium volatility. The volatility describes how much the value of the fund went up and down in the past. The units of a fund of category 4 might be subject to medium price fluctuations based on the historical volatilities observed.
